

Animal Health & Welfare - The Official Control Regulations

Retained EU Regulation 2017/625

Delivered by CTSI Lead Officer for Animal Health - Steph Young

Trainer Bio

Steph is an experienced Team Leader in Trading Standards enforcing animal health legislation with Staffordshire County Council and has a wealth of experience on animal health and welfare in both private and public sector. Steph is the Lead Officer for CTSI on Animal Health and Welfare and Lead Officer for Disease on the National Animal Health and Welfare Panel.

Course Programme

This course is targeted towards managers and officers responsible for food, feed, animal health and welfare enforcement within Local Authorities. The course will look at the obligations placed on the competent authority as a result of retained Regulation EU 2017/625 and the areas that local authorities will need to consider when demonstrating compliance with the official controls in their roles. The course is suitable for officers across all the devolved nations.

Tuesday 28 June 2022

10:00 – 10:05	Welcome, House Keeping and Introduction
10:05 – 11:50	Session 1 - An overview of the requirements of retained Regulation EU 2017/625 and the obligations placed on the competent authority
10:50 – 11:05	Q & A
11:05 – 11:15	Comfort Break
11:15 – 12:00	Session 2 - Consideration to the practical challenges of implementing the obligations of the official control regulations
