

CTSI Professional Competency Framework, CPCF

Legal Metrology Oral

June 2023

The Orals

The Orals followed the same format as last year with four test stations set up around the room, each station representing a different area of expertise as follows:

- CSMs, tapes (length), beer dispensers
- Water meters, fuel, LPG and road-tankers
- NAWIs and weighing
- AWI weighing, packaged goods

All four stations of this session were relatively well answered by candidates with areas of strength being demonstrated in the technical area of NAWIs and weighing but with some / several candidates lacking knowledge in other areas.

A total of 38 candidates did the Oral
