

Bovine TB: a call for views on potential improvement and simplification of the TB testing regime in the High Risk Area of England

Department of Environment, Food and Rural Affairs

Chartered Trading Standards Institute response

8th November 2016

About The Chartered Trading Standards Institute

The Chartered Trading Standards Institute (CTSI) is a professional membership association founded in 1881. It represents trading standards officers and associated personnel working in the UK and also overseas in the business and consumer sectors as well as in local and central government.

The Institute aims to promote and protect the success of a modern vibrant economy and to safeguard the health, safety and wellbeing of citizens by empowering consumers, encouraging honest business, and targeting rogue traders.

We provide information, evidence, and policy advice to support local and national stakeholders.

We have also, as part of our recently revised remit, taken over responsibility for business advice and education concerning trading standards and consumer protection legislation. To this end, we have
