

A guide to obtaining a Charter Trading Standard Practitioner

The following is a step-by-step guide for members to obtain their T P status.

STEP ONE: Completing your Membership Application Form

This is a requirement of the T P application and requires you to become a Full member of the Institute.

To qualify for Full Membership, you must have one of the following qualifications:

- both D A Part 1 and 2; or
- T QFD AT award 40 points; or
- tag 2 of the T I Professional Competency Framework
- DT (or one of its equivalents); or
- Accreditation and application support by your employer

For more information on membership, please visit the [membership application](#) page on our website.

A part of your T P application you need to complete the [membership application form](#). You can download this from our website.

If you have any questions in relation to your application please ask through the [FAQ](#). If your query is not found within the frequently asked questions please email membership@t i.org.uk.

Any early membership fee application payment should be included as part of your T P application. Details on [membership fees](#) can be found on our website. Helpdesk: (+44) 0115 1(m)-1.15@5 1(+44) 0115

Please note: Only provide original work, do not copy or paste content from other sources. All work must be your own. This is a requirement for our course.

Trading Standards Knowledge Reflective Statement

To satisfy this element, you must show that you have
